

JANE'S ROUTINE

Read the text:

Hello! My name is Jane. On a schoolday, I usually get up at seven o'clock. I always take a shower but I never have breakfast and I never make my bed. I have class from nine o'clock to half past three. After school, I hang out with my friends and we often play badminton. I come back home at five o'clock. First, I do my homework. Then, I usually spend time with my family or I sometimes watch TV. We always have dinner at seven o'clock and after that I brush my teeth. Finally, I go to bed at 9:00 and I read a little before I sleep.
