

Australia

Australia's Nickname is: "The Land down under."
It is a continent, a country and an island. **It is located** between the Indian Ocean and the Pacific Ocean.

There are 24 million inhabitants. The Capital city is Canberra and the **biggest** city is Sydney.

What's more, Australia is 14 times **bigger** than France. **Moreover**, 25% of the inhabitants are foreigners. They celebrate Christmas in summer because the seasons are reversed in the Southern Hemisphere. **There are** 55 different types of Kangaroos and 10000 beaches. In Australia, you can have various types of climates: subtropical, tropical, temperate etc....
